

Nexus Coalition loves to collaborate with local schools by providing resource tables at school events. Nexus staff will set up and man the table during the event handing out free resources including but not limited to: educational pamphlets, flyers, pass along cards, pencils, promotional materials.

Ideas for collaboration include: Parent Teacher Conferences, Career Fairs, Family Nights, Assemblies, Literacy Nights, etc. Photo examples from previous events attached below:

Community collaboration striving to build a healthy, substance free environment for youth
