

Nexus Coalition loves to collaborate with the community, chambers, organizations and local schools by providing resource tables at events. Nexus staff will set up and man the table during the event handing out free resources including but not limited to: educational pamphlets, flyers, pass along cards, pencils, promotional materials.

Ideas for collaboration include: Chamber Events, Community Events, Business Events, Wellness Days, Career Fairs, Family Nights, Assemblies, etc. Photo examples from previous events attached below:

Community collaboration striving to build a healthy, substance free environment for youth
